REGISTRATION OF PLANT, EQUIPMENT AND VEHICLE FOR HIRE BY ROADS DIRECTORATE

BACKGROUND INFORMATION

The Roads Directorate (RD) was established through the Roads Directorate Act 2010 as a body corporate with perpetual succession as a non-profit making public institution governed by the Board of Directors. The Roads Directorate manages road infrastructure and ensures that existing roads and access routes are comprehensively and regularly maintained and rehabilitated when required, upgraded and extended in an efficient manner to meet the needs of the economy for the nation. The main functions of the Roads Directorate are Road Network Planning, Development and Maintenance; Quality assurance as well as construction and maintenance of footbridges.

The Roads Directorate wish to invite all interested Lesotho bidders to register vehicles, plant and equipment for hire. All vehicles, plant and equipment should be registered in Lesotho.
