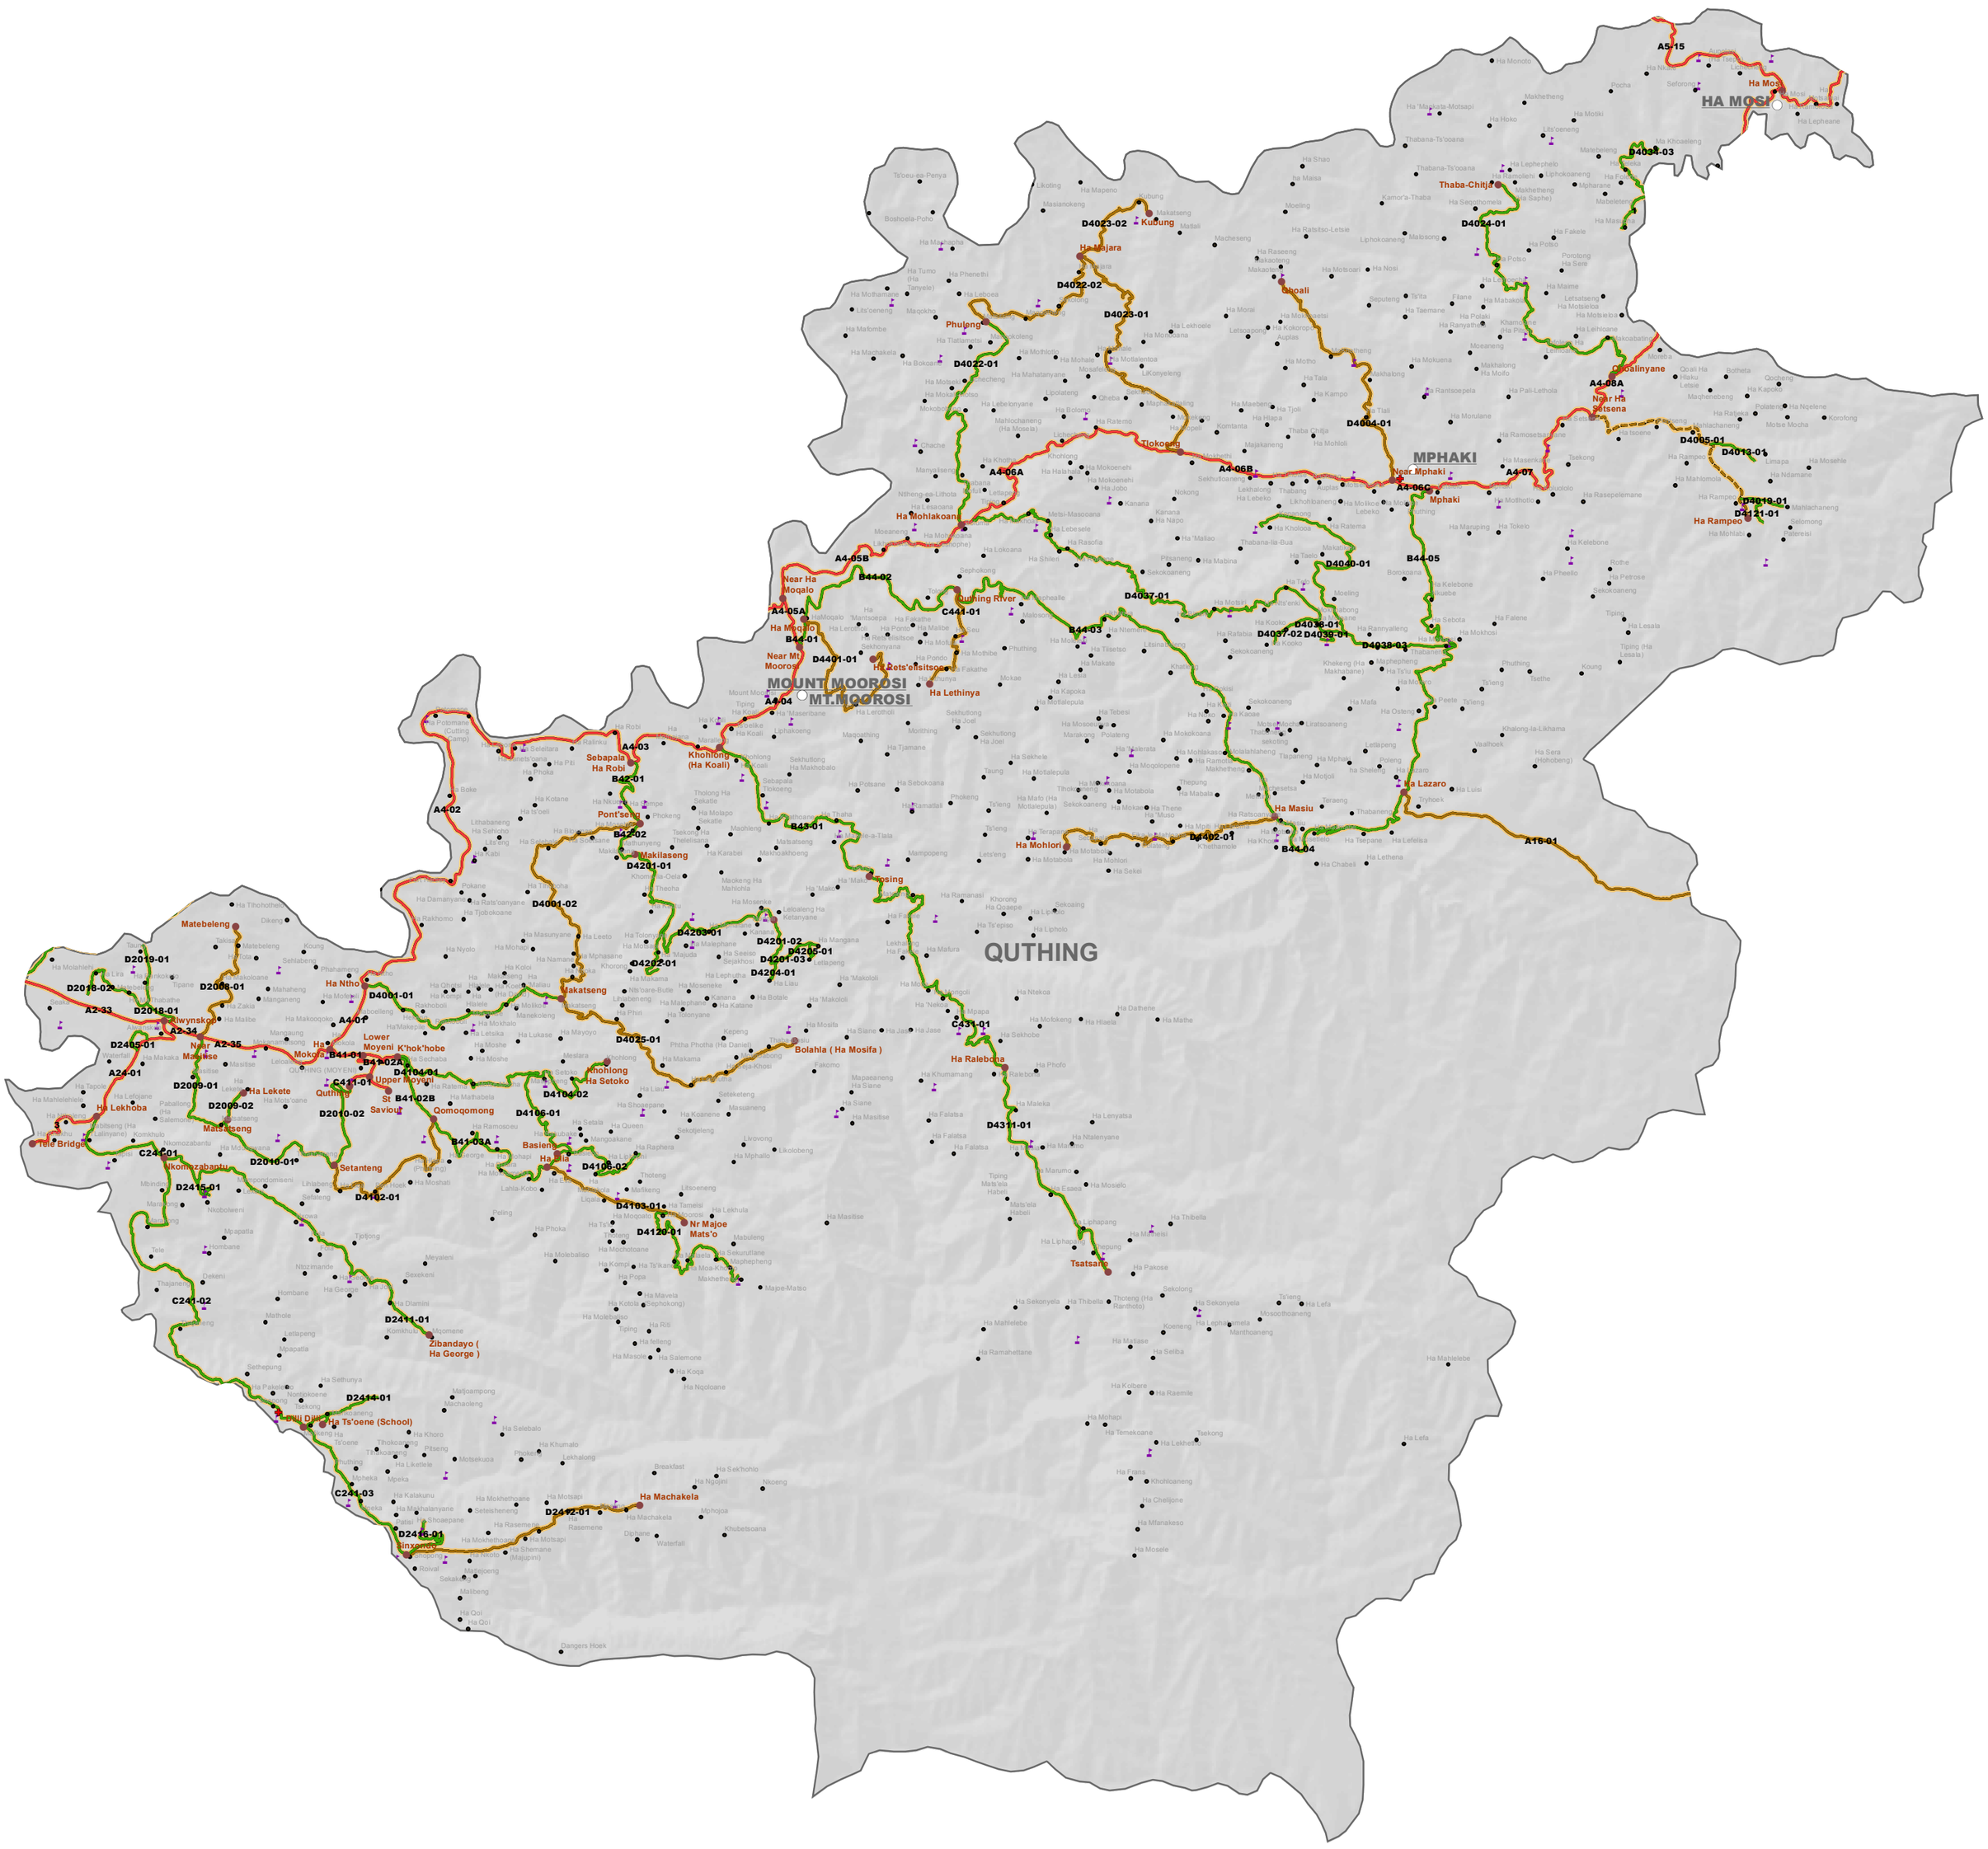
QUTHING ROAD NETWORK 2019



NOTES ON THE ROAD NETWORK:

The Road Network maintained by the Roads Directorate consists of the following four tier System

A Class Road (Link Number begins with "A") Primary or Trunk roads linking the major towns and districts centres and main border posts

B Class Road (Link Number begins with "B") Secondary or district roads providing the main connections between adjacent districts and linking local centres to the primary network

C Class Road (Link Number begins with "C") Tertiary or sub-district roads providing addition connections within districts, accessing and linking secondary or primary roads

D Class Road (Link Number begins with "D") Tertiary roads which provide access to one or more villages or settlements
